**Fair Acres Sultan 354154**, white; sired by White Hall Sultan, the greatest Shorthorn bull ever used in America; dam, Snow Bird, a great show heifer that won first as junior yearling, junior champion and grand champion at the 1908 American Royal and first as junior yearling at the International the same year. She was sired by Nonpareil Stamp, he by the noted sire of show stuff, Nonpareil Victor. Snow Bird is a full sister to Snow Flake the sire of Ringmaster, a bull that has won more championships than any bull ever shown in the United States. Fair Acres Sultan was first prize aged bull and senior champion at Illinois State Fair, 1913. He sired the first prize calf herd—junior and grand champion females at the same show. At the International, 1913, his get won first and fifth in senior heifer calves, fifth senior bull calf, third junior heifer calf, second calf herd and fourth get of sire. No such showing was ever before made with four calves sired by the same bull. At the Iowa State Fair, 1914, his get won the young herd, first on senior yearling, first on junior yearling, junior champion female and second on get of sire. A bull sired by him is worth much to place at the head of a herd. His is the blood that breeds on.

**Uppermill Omega**, roan; bred by W. S. Marr, sired by Bapton Favorite 167139; retained in the Uppermill herd until its dispersion, when he sold for \$7,600 and was considered by many to have been the best bull in Great Britain at that time; dam, Maud 37th by High Commissioner 144629.

**Northern Light 2d** was a Mina; his sire was imp. Northern Light (57801), his dam was Isabella's Mina by imp. Vice Consul (60112) and his grand dam was Isabella 4th by Young Mayflower 1197.

**Ontario Gloster 410392** is a full brother to the champion bull **Fair Acres Gloster 385760**.

Fair Star, successful member of our show herd and a consistent winner.

**Imp. Scottish Pride 36106** is proving an excellent sire, and belongs to the well known Marr Roan family (which on several occasions have topped the Duthie-Marr sales), and his sire, Scottish Prince (72953), bred by Mr. Duthie, belongs to the popular Princess Royal family. His dam was Cinderella 2d by Allan Gwynne (66609), and his granddam was Cinderella by John Bull (65701).

**Imp. Prime Favorite 45214** was used in Mr. Pettit's herd for several years with great success, and many of his get have won honors at the leading Canadian exhibitions, which demonstrates his value as a sire. He was also a strong show proposition himself, winning in 1907, the grand championship at the Canadian National Exhibition, Toronto, and also at the New York State Fair, Syracuse. His breeding is very choice, as he is from the noted Marr Princess Royal family and has for a sire the noted Bapton Favorite, which was used so successfully in the Uppermill herd and at its dispersion sold for over \$6,000. Prime Favorite was out of Princess Royal 49th by Sea King (61769).

We looked him over the other day and we don't think we ever saw him looking better. Not only is this bull a remarkable individual, but he is one of the most pretentious sires in the west today. **Cruickshank's Victorias** are among the best and most highly prized cattle of the present day. Sander's History says: "The first of this Mason-bred tribe to enter the Cruickshank herd was Victoria 19th by Lord John (11731). The first produce from her were a pair of twins, Victoria 29th and 30th. The latter left no female stock. The Sittyton Victorias imported to America have proved among the most valuable Scotch bred Shorthorns that ever crossed the Atlantic, among which was the noted Baron Victor (45944) that did such excellent service in the herd of Col. Harris."
